## The Town:

At the Town of Perth, we offer exciting employment opportunities in a workplace that values diversity, collaboration, and community engagement. Working with us means being part of a team that makes a real difference in the lives of our residents. Whether you're starting your career or looking for new challenges, we can't wait for you to join us!

## The Opportunity:

Reporting to the Manager of Aquatic Services and/or designated Evening/Weekend Supervisor, the Lifeguard is responsible for ensuring the safety of facility patrons by participating on the lifesaving team at the Perth and District Pool.

## What you will do:

- Observes patrons and enforces the health and safety regulations of the pool.
- Completes mandatory pool chemical tests including the addition of pool chemicals as required.
- Administers First Aid, CPR, and AED as required. Responsibility of upgrading or regular maintenance of CPR training, First Aid awards, biannual upgrading of National Lifeguard.
- Assists with pool preparation and set-up for special events or programs.
- Attends all in-service meetings and is up-to-date with regard to information related to the facility.
- Other duties as assigned.

The above generally describes the responsibilities involved with the position however is not intended to be an exhaustive list.

## What you will need:

- No experience required.

*The Town of Perth is an equal opportunity employer and values diversity in our workforce, encouraging applications from all qualified individuals. Our organization is committed to providing persons with disabilities with equal opportunities and standards of goods and services, and we are compliant with the Accessibility for Ontarians with Disabilities Act. If you require disability related accommodation to participate in the recruitment process, please advise the [Human Resources Administrator](#) as soon as possible. Accommodation may be provided in all steps of the hiring process. Any questions regarding this posting should be directed to the [Human Resources Administrator](#).*
