New Recycling Program Now in Effect

The Town's Recycling Program has officially transitioned to the Province of Ontario and is now managed by Circular Materials. This change means a more consistent recycling system across the province, with less confusion about what goes where. It also shifts program costs from taxpayers to the companies that make the packaging—encouraging better, more recyclable products.

Find out more at CircularMaterials.ca.

Yellow and blue bins are no longer available at Town Hall please contact Miller Waste at area2@millerwaste.ca or 1-888-852-2374 for replacements.

Not sure if it can be recycled? Check CircularMaterials.ca/Perth to see if it can go in the blue or yellow bin.
