In Person Public Meeting

Wednesday, May 20th, 2026

Council Chambers, Perth Town Hall

80 Gore Street East, Perth, ON K7H 1H9

Time: 5:30 p.m.

PURPOSE AND EFFECT:

The Town's current Zoning By-law No. 3358 was originally approved by Council on October 24, 2000. Since the original approval there have been numerous updates to the Town's

Official Plan, including a major update in 2025, several updates to the Provincial Planning Statement, 2024 (PPS), and several changes to the Ontario Planning Act.

The Planning Act requires that a municipality review and update their Zoning Bylaw within three years of a new Official Plan or update to an existing Official Plan. It is recognized that the Town updated its Official Plan in 2025, and now is an appropriate time to consider a new Comprehensive Zoning By-law, replacing the current 20-year old Zoning By-law 3358.

The changes being considered by Council include:

- **Updating General Provisions for Additional Residential Units (ARU's)**
- **Consolidation of Existing Residential Zones, with a base density of 4 residential units**
- **Removing minimum sizes of dwelling units**
- **Updating of various definitions**
- **Establishment of updated Flood Plain zoning provisions**
- **Regulations for “custodial care” group homes**
- **Update of parking standards**
- **General administrative consolidation**
- **A new accessible Zoning Schedule (map)**

PROPERTY DESCRIPTION:

The new Comprehensive Zoning By-law will affect all lands within the municipal boundary of Corporation of the Town of Perth.
